The Chagossian Fund at Sussex Community Foundation

Guidance Note and Criteria

What is The Chagossian Fund?

The Chagossian Fund is a grants programme, funded by the Foreign, Commonwealth and Development Office and managed by Sussex Community Foundation. The Chagossian Fund is part of the UK government’s commitment to support Chagossians wherever they live.

This fund is aimed at voluntary sector organisations, grassroots community groups and established local charities supporting Chagossian people living in Crawley and other parts of Sussex.

Funding is offered to support one or more of the following Fund criteria:

- Education
- Health
- Employment
- Social care
- Culture

Who can apply for funding?

Applications will be accepted from not-for-profit organisations including charities, community organisations and social enterprises.

We define ‘not for profit’ organisations as those:

- Whose governing body (board or management committee) is entirely voluntary, although out-of-pocket expenses may be paid, and has a minimum of three unrelated people (if some are related there must be at least three who are not).
- Whose members do not receive any financial benefit.
- Whose income and assets are used for exclusively charitable purposes (and any remaining assets are transferred to a charitable organisation).
- That does not pay any dividend or distribute any surplus to shareholders or members.

Your organisation does not have to be a charity, but it does need to have:

- Its own bank account, with at least two cheque signatories (who are not related to each other).
- A constitution or set of governing rules, with a minimum of three trustees/committee members, as above.
- Accounts or records of expenditure.
- Relevant policies (such as equal opportunities, child protection, vulnerable adults, health and safety etc).
We can accept applications from social enterprises, CICs and Companies Limited by Guarantee carrying out charitable activities. However, these organisations must have:

- Demonstrable public benefit and clear protection against private benefit.
- A minimum of three unrelated directors, the majority of whom are not paid either as directors or for delivering the activities of the organisation (if some are related there must be at least three who are not) and none should be registered as Persons with Significant Control.
- A majority of non-executive directors approving the salaries and benefits of any paid directors, which should be reasonable and proportionate to the work they do and the financial position of the organisation.
- An asset lock body (in the case of CICs) with objectives that are charitable and similar to the CIC. These organisations must confirm that they meet the above conditions at the time of applying and no later than the closing date.

The Fund is not open to applications from individuals.

We expect applicants to be based in Sussex or demonstrate their ability to work locally through established networks or with local partner organisations.

We will undertake all necessary due diligence to ensure applicants have the capability and capacity to manage funding responsibility and are suited to working to support the Chagossian community in Sussex.

**Who can’t apply for funding?**

We can’t fund:

- organisations or activities which don’t benefit Chagossians living in Sussex
- organisations that discriminate unlawfully under the provisions set out by the Equalities Act 2010
- organisations where the service provided is used as a vehicle or means to promote religious beliefs
- political activities
- small contributions to major capital appeals or campaigns
- grants which will be used to make awards to a third party
- projects which only benefit animals
- organisations that have not returned monitoring from previous grant awards
- retrospective funding for activities or projects that have already taken place

**What can funding be used for?**

The following list is presented to provide examples of the kind of projects organisations may like to implement, rather than being prescriptive about the focus of the Fund. We are open to ideas and suggestions that will benefit the Chagossian community.

- English language lessons, projects addressing digital inclusion or tutoring programmes.
- Health and well-being initiatives such as cookery classes, sports and leisure activities.
• Employment and training projects through mentoring, training and advice services, including offering practical skills such as CV writing, writing job applications, digital skills etc.
• Advice and support on issues such as immigration, welfare benefits, housing, financial management and domestic abuse.
• Music, arts, culture and heritage projects including projects that celebrate and showcase local talent.

Applicants should ensure they have consulted with members of the Chagossian community before submitting a grant application and must demonstrate how their proposed project meets the needs of the Chagossian people. Applicants will be required to evidence how their proposed project will achieve this.

**How much can we apply for?**

There is no limit to how little or how much funding organisations can apply for, but funding decisions will be based on the capabilities of the organisation applying and their experience of managing funds. Organisations with limited experience in managing grants should apply for a small grant initially.

**Small grants**

* Awards of between £1,000 to £10,000

Small grants may be awarded to both established organisations and new organisations with limited experience of managing grant funding.

**Large grants**

* Awards of above £10,000

Large grants will usually only be made to established organisations where there is clear evidence of their ability to manage grant funding.

**How do we apply for a grant?**

Organisations that wish to apply for funding should use our online grant application, which can be accessed at:

https://ukcf.secure.force.com/forms/SCF/TCF/2023

All applicants will be required to submit copies of the following documents to be considered for funding.

First time applicants only:

- a signed copy of your latest annual accounts or record of expenditure
- a copy of a bank statement from the last three months
- a signed copy of your constitution or set of rules (if you are a CIC, please also supply your CIC 34 report)
- the names of management committee members, with cheque signatories identified
- your equal opportunities policy, covering both the Equalities Act 2010 and the nine protected characteristics
other policies relevant to your work such as child protection or vulnerable adult protection policy, health and safety policy, environmental or sustainability policy

For all applicants:

- a signed copy of your latest annual accounts or record of expenditure
- a copy of a bank statement from the last three months
- evidence of appropriate insurance for any funded events and/or activities
- if applying for a grant to purchase equipment, please send copies of written estimates or catalogue pages We will contact you if we need any further information after we have received your application.

This is the list of documents you need to provide as part of your application to us (please note, we are unable to consider your application without this information):

**When does the grant need to be used by?**

Grants should be fully spent by 31st March 2025

**When do we need to apply by?**

Grant applications will be accepted on a rolling basis.

**What will happen once we’ve applied?**

Once we receive your application, we will check that you are eligible and have supplied the information we need. The application will then be assessed against the questions in the application form. The assessment includes a review of the project plan and budget.

It normally takes 4-6 weeks for us to review an application if all the required information is provided. We will then contact you with our decision.

**What reporting information will we have to submit at the end of my project?**

Applicants will be required to complete a short monitoring report about the use of their grant at the end of the funding period. This report will include:

- A summary of what activities were carried out
- A financial breakdown of funds spent
- Evidence of expenditure (receipts/invoices etc.)
- Information on people supported
- The outcomes achieved

You must submit your monitoring report before we can approve any further grants to you.

We may also request case studies and other materials to bring to life the impact of funded projects.

Sussex Community Foundation may undertake monitoring checks during project implementation to ensure grant funding is being used as intended.
Support will be available once funding is received to ensure the successful outcome of your project/activities. The Sussex Community Foundation has a partnership with the RPD Foundation to provide advice and support to grant recipients on managing the finances of any grants awarded. For some and particularly new organisations, this support may be a condition of your grant offer.

**What help is available to support our application?**

General queries or questions about the Fund should be directed to the grants team at Sussex Community Foundation, either by email to grants@sussexgiving.org.uk or by phone on 01273 409440.
